

Enjoyed learning to ring?

The Association of Ringing Teachers, a registered charity, wants to see lots more people enjoying learning to ring. By creating and running the ART Training Scheme and the Learning the Ropes (LtR) scheme for Ringers, we hope lots more people can experience this ancient and engaging activity.

The ART LtR 50/50 CLUB now offers you a way to help to secure the future of bell ringing – and a chance to win regular cash prizes!

The fundamental objective of the Association of Ringing Teachers is to improve the learning experience of new recruits to bell ringing. The Association is a membership organisation of ringing teachers across the country and abroad. It is primarily run by volunteers with a part-time paid administrator.

Since being formed in 2012, ART has already held hundreds of courses to improve and develop ringing teaching skills and over 1,500 new ringers have been registered for access to Learning the Ropes. ART provides an online learning website of resources which is always developing, as well as a host of publications, DVDs and teaching aids.

ART now has to be self-financing and you can help us to maintain the future of ringing through good teaching by joining the ART LtR 50:50 Club.

How the 50/50 CLUB works...

For an annual subscription of just £12 – only £1 per month – you will receive an ART LtR 50/50 CLUB membership number which will be entered into the quarterly draws. Therefore you will have four chances to win each and every year!

Half the subscriptions go to support the work of ART and half goes directly to members in quarterly prizes!

The draws and prizes are...

- One December prize of 25% of all subs
- Quarterly prizes – one 10% & two 5% of subs
- Extra December prize money is divided 50/50

You can multiple membership numbers by buying more than one £12 subscription – increasing your chances of winning.

The CLUB is open to everyone registered on SmART Ringer, which is all those using the ART Training Scheme and/or Learning the Ropes.
